RE: Delphi Personal Savings Plan for Hourly-Rate Employees in the United States  
EIN/PN: 38-3430743 / 004

Dear Mr. Kuplicki:

This letter confirms our conversation on November 18, 2005, regarding Plan captioned above. At that time, a tentative appointment was set for the week of November 28, 2005 to discuss the Plan and to review the records of the Plan.

The Department of Labor has responsibility for administration and enforcement of Title I of the Employee Retirement Income Security Act of 1974 (ERISA). Title I establishes standards governing the operation of employee benefit plans such as the Plan captioned above.

The Plan is scheduled for examination by this office. Investigative authority is vested in the Secretary of Labor by Section 504 of ERISA, 29 U.S.C. 1134 which states in part: "The Secretary shall have the power, in order to determine whether any person has violated or is about to violate any provision of this title or any regulation or order thereunder... to make an investigation, and in connection therewith to require the submission of reports, books, and records, and the filing of data in support of any information required to be filed with the Secretary..."

Pursuant to the above, this office is requesting your cooperation with the investigation of the Plan to determine compliance with provisions of ERISA. You are requested to have all records related to the Plan available for inspection, particularly those listed on the attached page. Upon the completion of the examination of records, the investigator will need to interview the trustee or administrator of the Plan. Should you have any questions, feel free to contact Investigator Frank Schneider at (313) 226 - 7451.

Sincerely,

Patrick T. Kawa  
Detroit District Supervisor
